

Meeting community needs in Michigan. More than **71,000** people of all ages and backgrounds are helping to solve problems and strengthen communities through **159** national service projects across Michigan. Serving with national and community nonprofit organizations, faith-based groups, schools, and local agencies, these citizens tutor and mentor children, coordinate after-school programs, build homes, conduct neighborhood patrols, organize local homeland security efforts, respond to disasters, and recruit and manage volunteers. This year, the Corporation for National and Community Service will provide more than **\$18,400,000** to support Michigan communities through three major programs:

Senior Corps: More than **16,000** seniors in Michigan contribute their time and talents in one of three programs: **Foster Grandparents**, who serve one-on-one with more than **22,000** young people who have special needs; **Senior Companions**, who help more than **3,400** other seniors live independently in their homes; and **RSVP** volunteers, who work with more than **1,900** local groups to meet a wide range of community needs, including safety patrols with local police departments, environmental projects, tutoring and mentoring, and responding to natural disasters.

AmeriCorps: This year, more than **800 individuals** are serving in Michigan communities as AmeriCorps members. In return, the members receive an education award of up to \$4,725 to help pay for college or pay back student loans. To date, more than **4,900** Michigan residents have qualified for education awards totaling more than **\$21,000,000**. Two-thirds of AmeriCorps grants are made by the Michigan Community Service Commission. National nonprofits, such as the Boys and Girls Clubs of America and Teach for America, make other assignments. Other members serve in AmeriCorps*VISTA, and AmeriCorps*NCCC (National Civilian Community Corps).

Learn and Serve America: Learn and Serve America provides schools, colleges, and community organizations with grants for service-learning. These grants help make it possible for more than **55,000** Michigan students to meet community needs while improving their civic and academic skills and learning the habits of good citizenship.

² This is the headquarters of a multi-site program. Participants are listed with the city and state where they serve.

Through the **President's Student Service Challenge**, students in kindergarten through college receive presidential recognition for their outstanding community service. Students who serve 100 hours or more are eligible for a **President's Student Service Award**. Since 1999, more than 2,809 Michigan students have received this award. In the **President's Student Service Scholarship** program, two students from each high school may receive a \$1,000 college scholarship for outstanding service to the community. Since 1997, more than 809 Michigan students have received these scholarships.

The **National Service-Learning Leader Schools** program recognizes middle and high schools for their excellence in service-learning. Lahser High School in Bloomfield Hills, Romulus High School, Garber High School in Essexville, MI Onkama Middle School, Tinkham Alternative High School in Westland, L'Anse Creuse High School in Harrison Township, Nah Tah Wahsh Public School in Wilson, and ACE High School in Stambaugh have been recognized as Leader Schools.
